### **Please contact the provider to ask about their availability and rates**

Individuals on this list have earned Endorsement® as an Infant Mental Health Specialist or an Infant Mental Health Mentor and have self-identified as providers of reflective supervision/consultation. The individuals listed are independent providers and do not represent the Infant Toddler Mental Health Coalition of Arizona in the provision of reflective supervision/consultation services. The Infant Toddler Mental Health Coalition of Arizona cannot guarantee the accuracy, reliability or completeness of consultation and/or supervision provided by these individuals.

This Directory of RS/C providers is not exhaustive. The individuals listed have indicated their willingness to provide RS/C to ITMHCA Endorsement applicants. Please contact the provider directly to ask about their availability and rate.
